

Yard Waste Collection

It is our goal to pick-up what is set out for collection, but during peaks in yard waste production, collection is limited to 10- biodegradable paper bags, plastic bags, averaged sized containers, or bundles (or a combination thereof) per pick-up day. **Brush and limbs must be less than 6 inches in diameter, cut into 4-foot lengths or less, bundled with rope or twine and cannot exceed 50 pounds. Yard waste or bundles that do not meet these set-out requirements will not be collected.** More than 10- bags and/or bundles of tied yard waste may be scheduled for a special pick-up at an additional charge. Republic Services **does not** collect dirt, bags of mulch, sod, rocks, open containers with poison ivy/oak/sumac, or uncontained brush with thorns.

Prince William County: Residents may place yard waste, including Christmas trees out with their normal household trash year-round.

Loudoun County: Residents must place yard waste out on their scheduled yard waste collection day, from March 1 through December 24th. Grass clippings, leaves, and twigs can be placed in biodegradable paper bags, plastic bags, or personal containers marked as 'YARD WASTE'.

Fairfax County: Residents must place yard waste out on their scheduled yard waste collection day, from March 1 through December 24th. Grass clippings, leaves, and twigs can be placed in biodegradable paper bags, plastic bags, or personal containers marked as 'YARD WASTE'.
